What I bring to the table.

01

MARKETING STRATEGY

Turning business objectives into practical marketing direction.

02

DIGITAL MARKETING

Building visibility and customer reach across digital channels.

03

OFFLINE MARKETING

Using local and physical marketing to create real-world visibility.

04

WEBSITE DESIGN

Professional sites that communicate clearly and credibly.

05

LEAD GENERATION

Approaches focused on quality business enquiries.

Websites should work harder.

A website is often the first serious interaction between a business and a potential customer.

Sarthak focuses on creating professional, modern and business-oriented websites that communicate value, build credibility and support customer acquisition.

From attention to opportunity.

THE CLIENT	Adhyayan Academy — Shahpur
THE OBJECTIVE	Increase visibility and generate relevant enquiries.
THE CONTRIBUTION	Marketing strategy and lead-generation focused execution.
THE OUTCOME	Quality leads generated through the marketing efforts.

Trust is built through consistency.

Developed a repeat-customer relationship through consistent service, professional communication and business support.

“Long-term client relationships are built through reliability — not just one successful project.”

PERSON / 10

Beyond the title.

SARTHAK SHARMA

CMO • MARKETING • WEB • GROWTH

Curious about business. Obsessed with better execution. Focused on turning ideas into professional, market-ready experiences.

Where I'm heading.

My goal is to build brands and marketing systems that do more than look professional — they create trust, attract customers and contribute to real business growth.

LET'S BUILD SOMETHING THAT GROWS.
